FREQUENTLY ASKED QUESTIONS

Will I be able to teach ONLINE and in physical classes?

ABSOLUTELY. You will receive certification for teaching the skills online and "offline" too.

How long is the course?

It is a 1-day course of 5 hours in length,

Will I need to invite any students, or bring anything?

Nope. We provide demonstrators, and we will send out the materials to you as well!

I'm old. Slightly. Will I need to demo anything

Haha! No way. Just be very attentive on how to break down the skills

FREQUENTLY ASKED QUESTIONS

Do I need any previous qualifications?

No you don't. As we will be teaching from the fundamentals, and assessing on the day, you will be qualified with us regardless of previous qualifications.

What about assessments?

There will be a written assessment to be completed on the day & 2 weeks to complete a practical assessment which can also be done online.

What about handsprings and tumbling?

This course will not include flighted skills such as tumbling. The remaining modules SPECIFICS and MECHANICS will include these elements and be taught in person at a later date.

Is there a syllabus to follow to put students through exams?

Absolutely. We have a full syllabus with levels 1-8, and will be providing remote examinations
